Subject: Inncorect article

Please correct the misleading information contained in your Web Site that “Age Pensioners will be able to earn an additional \$4,000 per financial year without losing any of their pension.” <https://www.industrysUPER.com/retirement-info/pension-changes/>

The \$4000 bonus is a ONE OFF addition to the Work Bonus accumulation (Bank), it does not allow Pensioners to earn \$4,000 extra per year at all. The actual value is \$2000 as \$2000 would have been received anyway.

I look forward to your response.

Regards

Greg
